2017 e21 Forum #2

Toward a 21st C. Electric System in Minnesota

Friday, July 14th, 2017
1:30pm-6:00pm

The Saint Paul Hotel
350 Market Street, St Paul, MN 55102
James J. Hill Room

Register online at e21forum2.eventbrite.com

The **e21 Initiative** brings together key interests including utilities, consumer advocates, energy technology companies, other businesses, environmental and academic organizations, and government to enable Minnesota to continue to lead in shaping an electric system for the 21st century.

e21 Forums happen 3-4 times per year and provide an opportunity for interested parties in Minnesota to hear about and discuss important issues facing the electricity sector.

Draft Agenda

- 1:30 – 1:45 pm** **Welcome, Meeting Overview, Update on e21 Phase 3**
